EDUCATION FOR *life.*

About this course

This program is designed to develop skills that are essential for employment and skills that relate directly to a work activity within the welding and fabrication industry.

This course is nationally accredited within the Australian Qualifications Framework and outlined within the MSM Manufacturing Training Package. Further details on this Training Package are available from the Australian Government's training information website:

<http://training.gov.au/Training/Details/MSM>

This program runs over six months with an expected completion time of one semester on campus. Students are to attend the course one full day per week on Fridays.

Program content

This program consists of five units of competency from the Manufacturing Training Package.

MSMPC1103	Demonstrate care and apply safe practices at work
MSMPC1298	Make an object from metal
MEM18001C	Use hand tools
MEM18002B	Use power tools/hand held operations
MEM05050B	Perform routine gas metal arc welding

Study and career pathways

On completion of this program, students may continue their studies with the Certificate II in Engineering Pathways or CPC20211 Certificate II in Construction Pathways, seek an Australian Apprenticeship or apply for work within the metals and fabrication industry.

Assessment

Assessment methods include questions to assess the knowledge requirements for each unit of competency and observation of application of practical skills. These assessments will also be used to determine work readiness and the ability to follow workplace instructions and procedures.

Advantages

- Nationally recognised qualification
- Earn credits towards NTCET
- Develop work skills
- Build confidence and communication skills
- Exposure to potential employers

Dress Requirements

Students are required to dress ready for work for all classes. The dress requirements are:

- Steel capped shoes
- Long trousers
- Long sleeve work shirt

How will you learn?

Training and assessment takes place at Sanderson Middle School. The course is delivered one day a week on Friday during normal school hours. All learning resources are supplied free of charge however students will need to supply the following:

- Pen/pencil for taking notes
- Notebook/jotter

Previous studies and skills recognition

Taminmin College recognises qualifications and statements of attainment issued by other Registered Training Organisations (RTO). If you have completed training with another RTO, please talk to your trainer about receiving credit or recognition of prior learning for this course. Credit transfers will be automatic where previous studies have been completed at Taminmin College and the units of competency apply to this qualification.

Support services

Students with special needs, including students with a disability, need to be supported appropriately. Reasonable adjustments will be made to accommodate their special needs. Support for students requiring language, literacy and numeracy skills will be provided by dedicated school staff such as Special Education Support Assistant.

Student rights and responsibilities

Students have the right to learn and be treated with respect and dignity. Equally they have a responsibility to demonstrate respect for themselves, others and the training environment.

Student responsibilities include:

- Commit to and complete the VET program
- Comply with rules and expectations as detailed in the VET Student Information Handbook
- Comply with structured work placement requirements
- Comply with workplace health and safety (WHS) requirements
- Attend VET classes on time, dressed appropriately and ready to learn

Eligibility/entry requirements

To gain entry into this qualification, students must be enrolled at Sanderson Middle School in year 9. There are no other requirements or previous experience required.

Exit Points

Students may withdraw from this qualification at any time by completing a Withdrawal form and receive a Statement of Attainment for any units of competency successfully completed.

Taminmin College will provide training and assessment in accordance with the requirements of the *Standards for Registered Training Organisations (RTOs) 2015* and ensure that the learner will have the opportunity to complete the qualification offered once a completed enrolment form is processed.
