

COOPERATIVE LEARNERS

will work respectfully together to
achieve the required outcomes.

I can:

- Work with others
- Respond to instruction and complete tasks
- Contribute positively to my class

CURIOUS LEARNERS

are inquisitive and interested in their own learning.

I can:

- Look at reasons for why things are being done
- Ask questions
- Always learn more
- Do my own research

REFLECTIVE LEARNERS

can consider what worked, didn't work
and see how to improve next time.

I can:

- Review my own work to look for areas to improve
- Use problem solving to improve my work
- Use feedback to improve my learning
- Use peer review to improve my learning

RESILIENT LEARNERS

deal positively with set-backs and disappointment,
but also look forward to changes to the
classroom environment.

I can:

- Try my hardest
- Take a risk
- Work through frustration with new tasks and continue to work
- Accept feedback to improve
- Ask for help or feedback and use it to improve my learning

SELF MOTIVATED LEARNERS

know what they are doing, why they are doing it, where they are headed and how they can improve.

I can:

- Be ready and prepared for class
- Take responsibility for my own learning and behaviour
- Focus on the task without distracting others
- Provide and accept feedback to improve my results
