Dear Parent/Carer/Guardian

Sanderson Middle School has developed a plan for responding when a serious incident or tragedy occurs.

When such an event happens, teachers and students are offered support by the school counsellor and or by an external agency who may be asked to provide additional emotional support at that time.

If we (the school) feel it is necessary, we would like to be in a consenting position to support your child to be provided with a voluntary session with the school counsellor and or the external service provider who will be on site and readily available to offer immediate advice and support.

Before any child is seen by a school counsellor or external support agency (unless is bordering on or in the area of child protection) parental consent is usually required. We strive to work in partnership with parents/carers and will always make every effort to gather this in the first instance.

However, in the unlikely event of being unable to contact you at the time of any incident, we are writing to seek your consent for your child to be seen by a member of our ‘Wellbeing Team’ or an experience professional from an external psychological support agency as part of our school’s immediate, one off or ongoing response.

This consent will allow us to support your child in the best way possible. This support could be provided as a one to one, in a small group or as part of a class group.

If you wish to discuss this, we are more than happy for you to make contact with our school counsellor – Claire Mobley on 8920 1032 at your convenience.

Yours sincerely

Robert McIntosh  
Principal

## Library System Permission

In 2016 the Northern Territory Library together with our school delivered an exciting new library system across the Territory, providing Territorians with a simpler and smarter library experience.

Built on a cloud-based platform and designed to support inter-library collaboration, the system takes advantage of improvements in technology, offering a more user-friendly experience to Territorians.

As the system is located outside of the Northern Territory, to have a library membership and enjoy access to the online library features, we need to store your personal information in the new system.

According to the NT Information Act, we require your consent to securely store your personal data outside of the Territory for the purposes of library business only.

I authorise permission for personal data for myself and my dependents:
